

Product code : 20214B

EMF'HYDRO 20214B

DESCRIPTION

EMF'HYDRO 20214B is a vinyl copolymer water-based adhesive.

AREAS OF APPLICATION

EMF'HYDRO 20214B can be used for bonding of insulating materials (mineral wool, expanded polystyrene, felt) to all absorbing surfaces such as plaster, concrete, wood, wood agglomerates.

TECHNICAL DATA

Colour	Beige
Viscosity	Brookfield HBT / spindle 2 / 10 rpm : 15,000 ± 3,000 mPa.s
Density at 20 °C	1.33 ± 0,05
Conventional solids content (EN 827)	59 ± 3 %
pH	Ca. 7.5
Application temperature	12 to 25 °C
Cleaner	Water before setting

ADVICE

See also material safety data sheet

INSTRUCTIONS FOR USE

Substrates preparation :

The substrates to be assembled must be clean, dry, dust free and not have any traces of grease or other contaminants which could adversely affect the bonding performance.

Application :

Mix homogeneously before use.

Coat the absorbent surface with EMF'HYDRO 20214B by means of a roller.

Apply directly the insulating material and press immediately with a heavy pressure on the whole surface.

CONSUMPTION

120 to 200 g/m²

STORAGE AND SHELF LIFE

12 months between 5 and 25 °C in closed original packaging.

Protect from frost.

PACKAGING

1 ton containers

SAFETY

EMF'HYDRO 20214B is not classified harmful. Read material safety data sheet.

The technical data contained herein is based on our present knowledge and experience and we cannot be held liable for any errors, inaccuracies, omissions or editorial failings that result from technological changes or research between the date of issue of this document and the date the product is acquired.

Before using the product, the user should carry out any necessary tests in order to ensure that the product is suitable for the intended application. Moreover, all users should contact the seller or the manufacturer of the product for additional technical information concerning its use if they think that the information in their possession needs to be clarified in any way, whether for normal use or a specific application of our product.

Our guarantee applies within the context of the statutory regulations and provisions in force, current professional standards and in accordance with the stipulations set out in our general sales conditions.

The information detailed in the present technical data sheet is given by way of indication and is not exhaustive. The same applies to any information provided verbally by telephone to any prospective or existing customer.
