

Product code : C9820A

## CLEANER L

### DESCRIPTION

CLEANER L is a mixture based on volatile organic solvents.

### AREAS OF APPLICATION

CLEANER L is an aerosol cleaner with high grease and oil dissolving capacity. It can be used especially on mechanical pieces in general and particularly metal pieces before the application of EMFILOK anaerobic adhesives.

### TECHNICAL DATA

Colour	Colourless
Odor	Strong, characteristic
Density at 25 °C	0.75 ± 0.05
Solubility	Organic solvents
Specific data	Appearance : volatile, clear liquid

### ADVICE

See also material safety data sheet

### INSTRUCTIONS FOR USE

Spray CLEANER L on surfaces to be cleaned.  
Wipe with a clean cotton cloth (not fluffy).  
Allow time for solvent evaporation.  
Repeat the operation if grease residue remains.

### STORAGE AND SHELF LIFE

24 months under 25 °C in closed original packagings

### PACKAGING

180 mL aerosols

### SAFETY

Irritant and extremely flammable. Read material safety data sheet before use.

### PRECAUTIONS FOR USE

Before applying on plastic materials or painted surfaces, check whether CLEANER L causes chemical attack. As the container is under pressure, do not expose at temperature over 50 °C. Do not puncture or burn the container even when empty. Do not spray the content near open flame or flammable material.

The technical data contained herein is based on our present knowledge and experience and we cannot be held liable for any errors, inaccuracies, omissions or editorial failings that result from technological changes or research between the date of issue of this document and the date the product is acquired.

Before using the product, the user should carry out any necessary tests in order to ensure that the product is suitable for the intended application. Moreover, all users should contact the seller or the manufacturer of the product for additional technical information concerning its use if they think that the information in their possession needs to be clarified in any way, whether for normal use or a specific application of our product.

Our guarantee applies within the context of the statutory regulations and provisions in force, current professional standards and in accordance with the stipulations set out in our general sales conditions.

The information detailed in the present technical data sheet is given by way of indication and is not exhaustive. The same applies to any information provided verbally by telephone to any prospective or existing customer.
