

Product code : D0016A

ACTIVATOR PV140

DESCRIPTION

ACTIVATOR PV140 is an accelerator based on amines.

AREAS OF APPLICATION

ACTIVATOR PV140 strongly accelerates one component polyurethane adhesives setting.

TECHNICAL DATA

Colour	Very clear brown
Viscosity	Extremely fluid
Density at 20 °C	1.03
pH	Ca 10.3
Conventional solids content (EN 827)	Ca 50 %

ADVICE

See also material safety data sheet

INSTRUCTIONS FOR USE

Spray the one component polyurethane adhesive on one of both materials to be assembled.
Spray a fine and regular layer on the coated material.
Setting speed depends of the adhesive used and of temperature.
Check and do not exceed open time. Otherwise, defective bonding could happen.
See technical data sheet of the adhesive used.

CONSUMPTION

10 to 20 g/m²

STORAGE AND SHELF LIFE

6 months in tightly closed original packaging between 5 and 30 °C. Frost sensitive.

SAFETY

Irritant. See material safety data sheet before use.

The technical data contained herein is based on our present knowledge and experience and we cannot be held liable for any errors, inaccuracies, omissions or editorial failings that result from technological changes or research between the date of issue of this document and the date the product is acquired.

Before using the product, the user should carry out any necessary tests in order to ensure that the product is suitable for the intended application. Moreover, all users should contact the seller or the manufacturer of the product for additional technical information concerning its use if they think that the information in their possession needs to be clarified in any way, whether for normal use or a specific application of our product.

Our guarantee applies within the context of the statutory regulations and provisions in force, current professional standards and in accordance with the stipulations set out in our general sales conditions.

The information detailed in the present technical data sheet is given by way of indication and is not exhaustive. The same applies to any information provided verbally by telephone to any prospective or existing customer.
