

Product code : D0020B

HARDENER D0020B

DESCRIPTION

Organic hardener.

AREAS OF APPLICATION

HARDENER D0020B is specially designed for accelerating EMFIMASTIC PU core curing.

TECHNICAL DATA

Appearance	Pasty, thixotropic
Colour	White
Viscosity	Brookfield HBT / spindle 7 / 2.5 rpm : about 800,000 mPa.s
Density at 20 °C	1.60 ± 0.05

INSTRUCTIONS FOR USE

EMFIMASTIC PU + HARDENER D0020B can be applied with a special press for two components adhesives.

Refer to the technical data sheet of the PU sealant used with HARDENER D0020B.

Measure precisely the ratio between both components as indicated by our technical service. Setting speed is slower at low temperature and quicker at high temperature.

ADVICE

See also material safety data sheet

STORAGE AND SHELF LIFE

12 months in closed original packaging stored in dry premises between 5 and 25 °C

PACKAGING

20 and 30 kg cans

310 mL cartridges

SAFETY

Not classified as hazardous.

Read material safety data sheet.

The technical data contained herein is based on our present knowledge and experience and we cannot be held liable for any errors, inaccuracies, omissions or editorial failings that result from technological changes or research between the date of issue of this document and the date the product is acquired.

Before using the product, the user should carry out any necessary tests in order to ensure that the product is suitable for the intended application. Moreover, all users should contact the seller or the manufacturer of the product for additional technical information concerning its use if they think that the information in their possession needs to be clarified in any way, whether for normal use or a specific application of our product.

Our guarantee applies within the context of the statutory regulations and provisions in force, current professional standards and in accordance with the stipulations set out in our general sales conditions.

The information detailed in the present technical data sheet is given by way of indication and is not exhaustive. The same applies to any information provided verbally by telephone to any prospective or existing customer.
